

# *Hutchison Engineering, Inc.*

Since 1945

Carbondale • Jacksonville • Quad Cities • Peoria • Shorewood

## **JOB DESCRIPTION**

Hutchison Engineering, Inc. (HEI) is seeking an entry-level civil engineer to join our Structures Division in Our Jacksonville, IL office. This position will be responsible for engineering aspects on structure replacements and rehabilitations including: surveying, roadway alignments and profiles, hydrology and hydraulic analysis, environmental submittals, preliminary bridge designs, plan development, specifications, and project estimates. The selected candidate will acquire knowledge in geometric highway design, hydraulics and hydrology, structure sizing and type selection, along with federal and state requirements for environmental review and project development. The HEI team is an experienced group of engineers and technicians that have completed highway and structure projects for the Illinois Department of Transportation and local public agencies for 76 years. Jacksonville, Illinois is an excellent place to live and start a family. With a college campus in town and a newly revitalized downtown square, there are ample opportunities for activities. Plus, we are only 30 minutes from Springfield and within an hour and a half of St. Louis, Peoria, and Bloomington.

## **SPECIFIC REQUIREMENTS**

The specific requirements for the position include:

- Bachelor's Degree from an accredited Civil Engineering program
- FE / EIT Certification
- Full-time employment
- Microstation or AutoCad experience, preferred but not required
- Ability to work overtime as needed
- Must be able to lift up to 10 pounds and occasionally lift and / or move up to 25 pounds
- Must have a valid Illinois Driver's License

## **SALARY & BENEFITS**

We offer competitive salaries and benefit packages including the following:

- Medical Plan with Health Savings Account (HSA) Contributions
- Generous 401(k) Retirement Plan with Company Contributions
- Bonus Program
- Overtime Compensation
